Thanksgiving and Prayer Points

Congregational matters:

- Give thanks for the privilege of public worship morning and evening on the Lord's Day, and pray for those who visit with us, that the Lord will bless them.
- Pray that the minister's work permit will be granted.
- Give thanks for the progress the Session has made in planning the body life of the Church for the next four months. Pray for the session as they consider essential matters that will come up at Presbytery.
- Give thanks for the record number of folk participating in the Fellowship Groups this past week, with new people joining groups—another token of the Lord's blessing upon us.
- Give thanks for another good week of progress made this week on the Ladies' Washroom. (The city has passed all the plumbing.) Pray for the work as it continues this week.
- Pray for Al Goyette, Judith van Berkom's husband, who is currently undergoing chemotherapy treatment, but now has a blood clot in his arm.
- Pray for Keturah Tochijara in her pregnancy. Pray that the Lord will continue to bless Keturah and her baby each day and keep them both healthy.
- Pray that the Lord will be merciful and save our covenant children and youth.
- Pray that the Lord will bless those seeking a life partner with a godly husband or wife.
- Pray for the minister as he prepares his addresses for the Men's Retreat this month, God willing.

The RP Church of Canada

RP Seminary

- Pray for the students in an assignment writing week for their Old Testament Introduction Course.
- *Russell RPC* - Pray for that the Lord will continue to bless the ministry of the Rev. Matt Kingswood.

Global RP Church

Prayer Season

- Give thanks for the online RP Global Alliance prayer meetings that took place around the world yesterday.
- Pray that many congregations will join in the RPGA global prayer meeting today.

Canada

Pray that the Lord of the harvest will raise up men to go into the harvest field, and that He may grant them to gather in a huge harvest in the coming weeks, months, and years in Canada.
